

Texas School District, West Orange-Cove Selects Quadrant 4's Education Exchange -- Empowered Solutions for Its Analytics, Instructional Improvement and Intervention Pilot Program

SCHAUMBURG, Ill., Nov. 12, 2015 (GLOBE NEWSWIRE) -- Quadrant 4 System Corporation (QFOR) ("Quadrant 4" or the "Company") a leading technology company offering state-of-the art SaaS (Software as a Service) and PaaS (Platform as a Service) based Exchange Solutions today announces it has been selected by West Orange-Cove CISD, TX, www.woccisd.net to participate in a pilot program deploying Quadrant 4's Empowered Solutions Education Exchange. The Exchange is powered by QEDIX (Quadrant Ed Info Exchange) and utilizes Quadrant 4's Social, Mobile, Analytics, and Cloud (SMAC) architecture.

Under the leadership of Superintendent Mr. Rickie Harris, West Orange-Cove CISD is located in Southeast Texas, and serves five campuses and a population of approximately 2,400 students. The district will partner with Quadrant 4 in deploying the Empowered Solutions Exchange to build an integrated solution that bridges the many data sources used by the school district. The pilot of the Empowered Solution Exchange will go through numerous phases and is scheduled to commence Nov 2nd, 2015. Quadrant 4 will be engaged in the pilot program through the end of the current school year ending in 2016.

Mr. Harris, Superintendent West Orange-Cove explained "We were looking for the most efficient and effective way to review information from our many data sources. The Empowered Solution Exchange's unique approach will let our staff make informed decisions, utilizing the system's dashboards on numerous aspects of administration and instructional improvements."

Dr. Silvia Martinez, Asst. Superintendent for Curriculum and Instruction continued, "We believe that The Empowered Solution's instructional improvement platform and deep

analytics will provide significant improvement to instruction and Intervention. Combined with Quadrant 4's Brainchild Achiever program, we will have the potential to provide students with tailored intervention exercises that we believe will help them show consistent improvement in their understanding of the subjects they are studying."

Quadrant 4 Chief Executive Officer Dr. Nandu Thondavadi explained, "The Education Exchange is a cloud based scalable platform that provides connected tools to deliver a personalized and adaptive educational experience to individuals of all ages. We are happy to be working with the West Orange-Cove and believe that the results will significantly aide our sales and marketing teams who are already selling into thirteen southern states including Texas, Florida, Georgia and North Carolina."
